SamuylovAI and Recursion Labs delivered a generative-AI workshop for AXA France.

On 4 July 2023, Sergej from Recursion Labs led the workshop for AXA's HRIS team. It covered the fundamentals of large language models, potential business applications and the risks and barriers to implementation.

> "What a discussion on such an awe-inspiring topic! In couple of hours we made with the team an exciting journey from where Generative AI starts towards amazing future opportunities (...and some challenges)." – Olga Kravchenko, Group HR COO.
